

## WHO IS ADHERENT HEALTH?

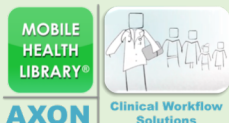

An independent clinical engagement services provider, focused solely on strategic application of technology that helps clinicians access treatments, and more predictably engage patients in desired adherence and self-care behaviors. Our HIPAA-secure platform speeds treatment access, increases medication adherence, provides Rx OOP cost transparency, & delivers patient-reported outcomes data to prescribers in real-time.

## WHAT DOES ADHERENT HEALTH DO?

We simplify & amplify treatment success, with a **TRUSTED** clinical workflow platform that speeds **MEDICATION ACCESS**, engages patients in desired **SELF-CARE BEHAVIORS**, & promotes more predictable **HEALTH OUTCOMES** attainment.

Wrap-Around Clinical Services **Connect** Treatment Access, Patient Adherence, & Outcomes Attainment
